## Gerloff Expands On A Capital Plan

The Gerloff Company Inc. is pleased to announce that our development plans for expansion in the Austin area have come to fruition. Gerloff has been servicing the Austin community and just north of Austin for over 24 years from both the San Antonio and Austin facilities.

Gerloff has committed itself to be the best family owned Restoration Company in the State. A large order, we agree, especially with the rate of growth of our two fine cities among the commercial property industry and the rapid expansion of the metropolitan and rural school districts. With these increased development activities, so come the demands to broaden our reach and increase our resources in order to stay two steps ahead.

The Gerloff Company has responded by relocating to a larger facility, enhanced the equipment inventory and increased the number of experienced professional office staff and field technicians.

You can find us just outside of Austin at 3709 Promontory Point Dr. Ste 129, Bldg A. Please feel free to contact Rusty or Debbie to come by for a visit. They will be happy to take you for a tour or just wait a short while for the announcement of our new facility open house festivities coming soon. Visit our Web Site for date and time. ([www.gerloffinc.com](http://www.gerloffinc.com)) Or call ahead and we'll add you to our list of guest to be contacted.

### EMERGENCY PREPAREDNESS PLAN

A word to our Commercial Property and School District future partners. Our calendar for Gerloff Emergency Preparedness Plan surveys is filling up fast for the month of November. Please contact me to get your facility scheduled as soon as you can, Drew A. Van Wyck at (210-394-8442).

For those who are current partners, don't forget to call us with any personnel contact changes and/or new buildings on property or on campus.

As always we appreciate you.
